PERENNIAL PLANTS

- ANTHEMIS KELWAYII, 2 ft., daisy-like yellow blossoms, produced all summer, excellent for cutting.
- AQUILEGIA (COLUMBINE) CHRYSANTHA, 3 ft., long spurred, large flowered, all colors, very hardy.
- ACHILLEA PTARMICA (The Pearl), small white pearl-like flowers in clusters, very pretty.
- ALYSSUM SAXATILE (Gold Dust), 1 ft., producing masses of golden flowers, very early.
- COREOPSIS GRANDIFLORA, large orange yellow flowers on long stems; about the best yellow cut flower blooming incessantly.
- COREOPSIS LANCEOLATA, fine orange yellow flowers, good for cutting.
- DIANTHUS BARBATUS (Sweet William), mixed, an improved variety of the old fashioned kind, fine colors, 15c each.
- DIANTHUS (Double Pink), a very sweet scented early blooming flower, very good for cutting.
- DIELYTRA (Bleeding Heart), a very showy hardy perennial with heart shaped blooms on graceful branch, 50c each.
- DELPHINIUM CASHMERIANUM, 3-6 ft., all shades of blue, very hardy, one of the handsomest perennials.
- GYPSOPHILA (Baby's Breath), small flowers on branched stems, fine for using with cut flowers.
- GAILLARDIA GRANDIFLORA. Their long flowering period, long stems and bright colors make these a very valuable perennial.
- HESPERIS MATRONOLIS (Sweet Rocket), deliciously sweet scented flowers for garden or cutting, lavender or white.
- ICELAND POPPY, elegant free flowering plants, bearing flowers in abundance all summer, very early, 15c each.
- LYCHNIS ARKWRIGHTII, a new and very large blooming kind, grows 15-18 inches and covered with orange and scarlet bloom.
- LYCHNIS CHALCEDONICA, 3-4 ft., flowers of fiery red in clusters, very showy.
- LINUM, 2 ft., pearly blue or white flowers, very hardy and free bloomer, 20c each.
- PANSY, TAYLOR'S SPECIAL. These are grown from our own hand-selected seed and contain all the best colors, including a large percentage of bronze. 75c per dozen.
